Offering TJU's Principal Investigators the best opportunity for success

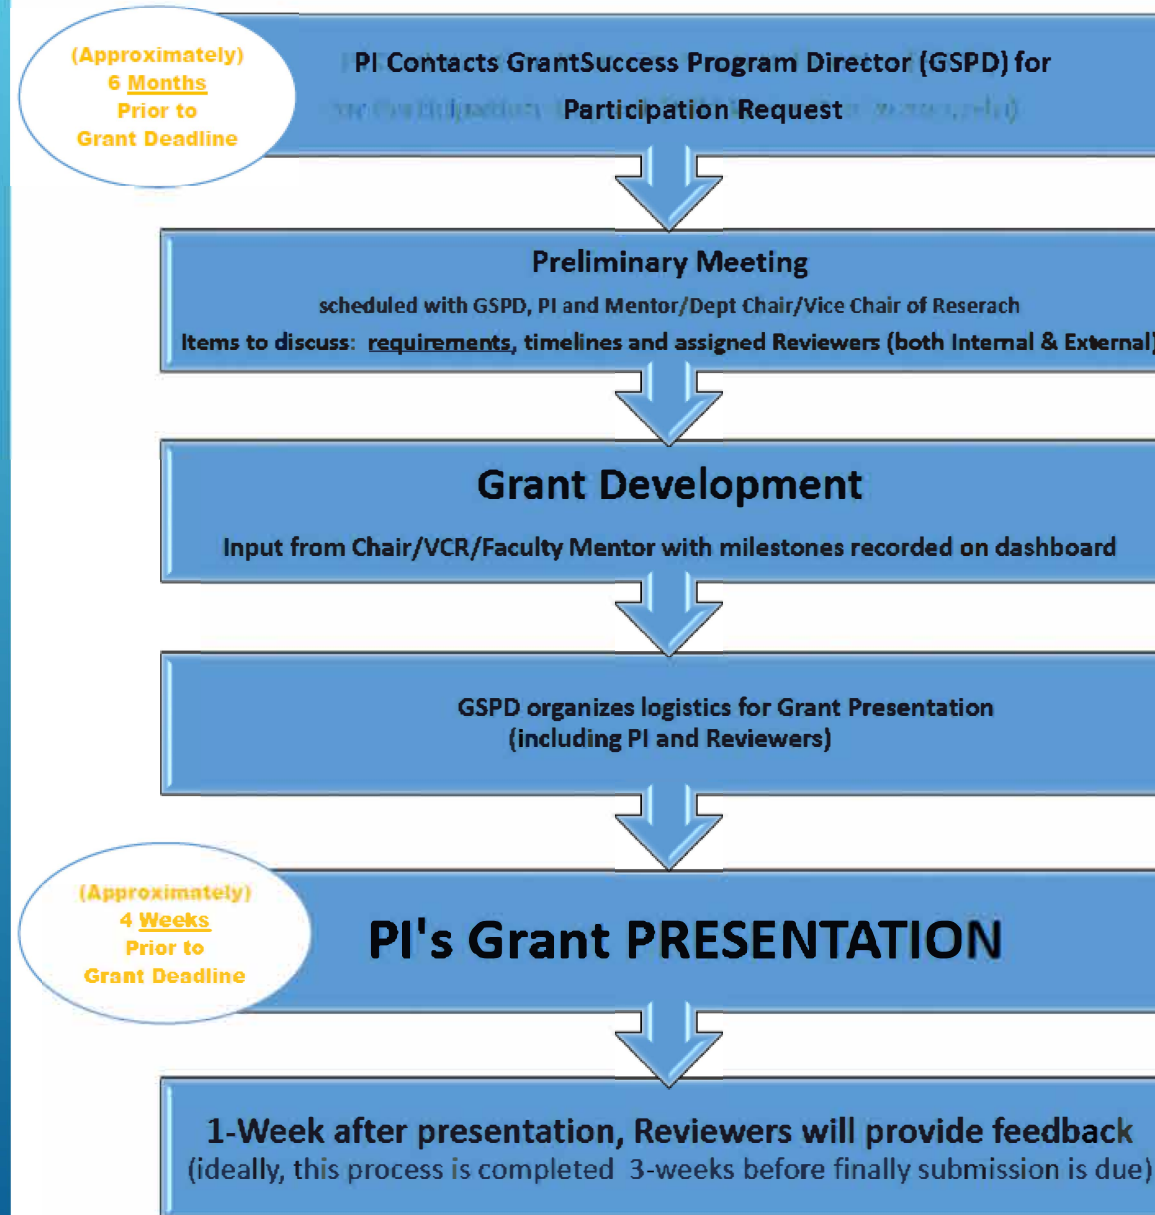

# Program Includes:

- ❖ Goals
- ❖ Timelines
- ❖ Milestone Meetings
- ❖ Programming Checklist
- ❖ Pre-Grant Submission Review Opportunity
  - \*Invitation for Internal and External Reviewers

# GOALS of GrantSuccess

- 1) Enable strategic planning and preparation of an:
  - \* 01- RO1/U01 or similar (> \$250,000) NIH, DoD, or NSF grant (similar large extramural grants will be considered on a case-by-case basis)
- 2) Provide feedback, through a formal review/presentation process, on grant 3-4 weeks prior to grant due date

# 6-Month Timeline to Submission

## Steps to Success

### 1. Timeline (Ideal; subject to modification on a case-by-case basis).

#### (Approximately) 6-month prior to the grant submission:

- The Principal Investigator (PI) contacts the GrantSuccess Program Director (GSPD) and received, "Request for Participation in GrantSuccess Program" form.
- The GSPD and Faculty mentors meet with PI to discuss their proposed grant and potential reviewers.
- The GSPD and PI, and possibly PI mentors may meet at various times prior to the presentation based on need.

#### (Approximately) 2-4-months prior to the grant submission:

- GSPD will contact reviewers and set up date of presentation.

**NOTE:** There should be no contact between the PI and Reviewers. The GSPD will manage all logistics.

#### (Approximately) 4-weeks prior to the grant submission:

- 2-weeks prior to the scheduled grant presentation, the PI will send the GSPD their presentation material.
- 1-week prior to the scheduled grant presentation, the GSPD will send all of the submitted presentation material to all Reviewers.
- Reviewers provide feedback within 1-week after presentation.

### 2. Reviewers

- There will be 2-3 Internal Reviewers and 3-4 External Reviewers.
- Reviewers will receive the Grant 1-week prior to presentation, but they are not obligated to read before presentation that covers both Aims and Research Strategy.
- Reviewers can be drawn from world-wide pool of experts in field.

### 3. Presentation

- Presentation will last no longer than 60-minutes.
- External Reviewers join via video conferencing.
- PI will present Aims and Strategy.
- Interaction and engagement will be encouraged throughout the presentation.
