Subject: Revised IRB Forms – July 08, 2015

In an effort to keep the research community informed of new and revised Office of Human Research (OHR) policies and forms, a summary of recent changes is being provided. Please remember to always access the most current policies and forms on the [Division of Human Subjects Protection page](#) of the OHR website.

Please note that several of the changes below are administrative changes to the forms. These generally involve title changes and/or department name clarifications.

Thank you

The Office of Human Research
