There are already three documents that are needed frequently listed on the new page. These documents include:

- Guidance for Staffing of Personnel on Research Studies – A document to help clarify which individuals need to be listed on an OHR-1 for the purposes of IRB oversight.
- Statement of Compliance – A statement recognizing that all TJU IRBs are fulfilling CFR requirements, are properly registered, and are fully accredited by AAHRPP.
- Voting Policy Memo – A memo documenting that any IRB member involved in a study must not be present for the discussion, deliberation and vote for that study.
