OHR Form Revisions

Subject: Revised IRB Form – December 14, 2022

FORMS

Form Number	Title	Version Date
OHR-34	Research Not Requiring IRB Review: A Checklist	12/14/2022
Changes: A request for a brief summary of the research was added to this form. An email determination that research does not constitute human research will be issued upon request.		

Other minor formatting/administrative changes have been made to these and other policies and forms.
