

The Fiscal Year 2007 (FY07) Defense Appropriations Act provided research funding for the peer reviewed INjury and TRaumatic STress Consortium (INTRuST) managed by the Department of Defense (DOD) office of the Congressionally Directed Medical Research Programs (CDMRP). The INTRuST Consortium was established to combine the research efforts of the Nation's leading experts on Posttraumatic Stress Disorder (PTSD) and Traumatic Brain Injury (TBI) to develop novel treatments or interventions for those who suffer from PTSD and/or TBI.
